<b>Component:</b> EQUIPMENT
<b>Manufacturer:</b> Harley-Davidson Motor Company
<b>Summary:</b> Harley-Davidson Motor Company (Harley-Davidson) is recalling certain model year 2014-2015 Road King (FLHR), Street Glide (FLHX), Street Glide Special (FLHXS), Electra Glide Ultra Classic (FLHTCU), Ultra Limited (FLHTK), Police Road King (FLHP), Police Electra Glide (FLHTP), CVO Ultra Limited (FLHTKSE), 2014 CVO Road King (FLHRSE), and 2015 Electra Glide Ultra Classic Low (FLHTCUL), Ultra Limited Low (FLHTKL), Road Glide (FLTRX), Road Glide Special (FLTRXS), CVO Street Glide (FLHXSE), and CVO Road Glide Ultra (FLTRUSE) motorcycles. The affected motorcycles have saddlebag mounting receptacles that may not adequately secure the saddlebags to the motorcycle.
<b>Consequence:</b> If a saddlebag is not adequately secured, it may separate from the motorcycle while riding, creating a road hazard and increasing the risk of a crash.
<b>Remedy:</b> Harley-Davidson will notify owners, and dealers will replace the affected saddlebag mounting receptacles with updated receptacles, free of charge. The recall began on July 30, 2015. Owners may contact Harley-Davidson customer service at 1-800-258-2464. Harley-Davidson's number for this recall is 0166.

<b>Report Received Date:</b> 13/04/2015
<b>Component:</b> POWER TRAIN:CLUTCH ASSEMBLY
<b>Manufacturer:</b> Harley-Davidson Motor Company
<b>Summary:</b> Harley-Davidson Motor Company (Harley-Davidson) notified the agency on April 9, 2015, that they are recalling certain model year 2014-2015 Electra Glide Ultra Classic (FLHTCU), Electra Glide Ultra Classic - Twin Cooled (FLHTCU TC), Ultra Limited (FLHTK), Police Electra Glide (FLHTP), Street Glide (FLHX), Street Glide Special (FLHXS), CVO Street Glide (FLHXSE), 2015 Electra Glide Ultra Classic Low (FLHTCUL), Ultra Limited Low (FLHTKL), Electra Glide Ultra Classic Low - Twin Cooled (FLHTCUL TC), Road Glide Special (FLTRXS), Road Glide (FLTRX), and 2014 CVO Road King (FLHRSE) motorcycles. On July 31, 2015, Harley-Davidson expanded the recall to cover an additional 61,065 motorcycles. In the affected motorcycles, the clutch master cylinder may lose the ability to generate enough lift to disengage the clutch, especially if the motorcycle has been parked for an extended period of time.
<b>Consequence:</b> When the engine is running and the motorcycle is in gear, if the clutch cannot be fully disengaged, the motorcycle may move unexpectedly, increasing the risk of a crash.
<b>Remedy:</b> Harley-Davidson will notify owners, and dealers will flush the clutch system and rebuild the clutch master cylinder, free of charge. The recall began April 23, 2015. Owners may contact Harley-Davidson customer service at 1-800-258-2464. Harley-Davidson's number for this recall is 0165.

**DISCLAIMER**

**NMVTIS Consumer Access Product Disclaimer**

The National Motor Vehicle Title Information System (NMVTIS) is an electronic system that contains information on certain automobiles titled in the United States. NMVTIS is intended to serve as a reliable source of title and [brand](#) history for automobiles, but it does not contain detailed information regarding a vehicle's repair history.

All states, insurance companies, and junk and salvage yards are required by federal law to regularly report information to NMVTIS. However, NMVTIS does not contain information on all motor vehicles in the United States because [some states](#) are not yet providing their vehicle data to the system. Currently, the data provided to NMVTIS by states is provided in a variety of time frames; while some states report and update NMVTIS data in "real-time" (as title transactions occur), other states send updates less frequently, such as once every 24 hours or within a period of days.

Information on previous, significant vehicle damage may not be included in the system if the vehicle was never determined by an insurance company (or other appropriate entity) to be a "total loss" or branded by a state titling agency. Conversely, an insurance carrier may be required to report a "total loss" even if the vehicle's titling-state has not determined the vehicle to be "salvage" or "junk."

A vehicle history report is **NOT** a substitute for an independent vehicle inspection. Before making a decision to purchase a vehicle, consumers are **strongly encouraged to also obtain an independent vehicle inspection** to ensure the vehicle does not have hidden damage. The [Approved NMVTIS Data Providers](#) (look for the NMVTIS logo) can include vehicle condition data from sources other than NMVTIS.

NMVTIS data **INCLUDES** (as available by those entities required to report to the System):

- Information from [participating](#) state motor vehicle titling agencies.
- Information on automobiles, buses, trucks, motorcycles, recreational vehicles, motor homes, and tractors. NMVTIS may not currently include commercial vehicles if those vehicles are not included in a state's primary database for title records (in some states, those vehicles are managed by a separate state agency), although these records may be added at a later time.
- Information on "brands" applied to vehicles provided by participating state motor vehicle titling agencies. Brand types and definitions vary by state, but may provide useful information about the condition or prior use of the vehicle.
- Most recent odometer reading in the state's title record.
- Information from insurance companies, and auto recyclers, including junk and salvage yards,

that is required by law to be reported to the system, beginning March 31, 2009. This information will include if the vehicle was determined to be a "total loss" by an insurance carrier. Information from junk and salvage yards receiving a "cash for clunker" vehicle traded-in under the Consumer Assistance to Recycle and Save Act of 2009 (CARS) Program. Consumers are advised to visit [vehiclehistory.bja.ojp.gov](http://vehiclehistory.bja.ojp.gov) for details on how to interpret the information in the system and understand the meaning of various labels applied to vehicles by the participating state motor vehicle titling agencies.
